# HOW TO USE AND CARE FOR YOUR VIDEOART™\* ACTIVITY CARTRIDGE™\*

## USING YOUR ACTIVITY CARTRIDGE:

1. Be sure that the "Power On" indicator is off before plugging the cartridge in the VideoArt.
2. Plug in the cartridge label side up (see drawing).
3. Press the power button so that the red "Power On" indicator light is on.
4. The title "page" of the

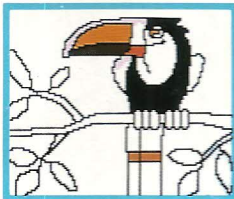

cartridge will appear on the screen for 20 or so seconds or until you press both clear buttons at the same time.

## CARING FOR YOUR ACTIVITY CARTRIDGE — Precautions:

1. This is high precision electronic software. It should not be stored in a place that is very hot or cold. Never hit it or drop it. Do not take it apart and never force it into the VideoArt unit.
2. Avoid touching the connectors, do not get them wet or dirty. Doing so may damage the cartridge.
3. Do not clean with benzene, paint thinner, alcohol or other such solvents.

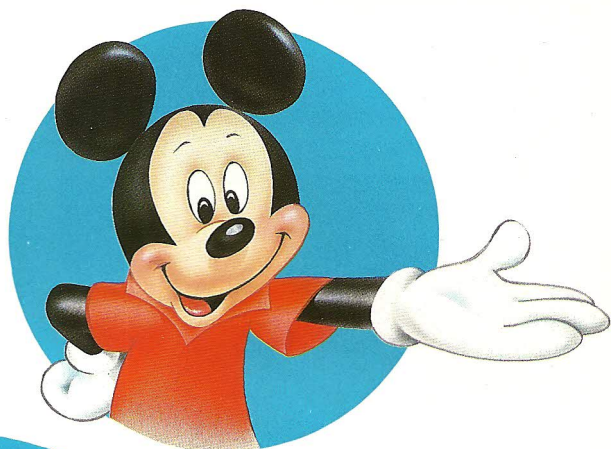

## WHAT YOU WILL SEE...

After the title page of your VideoArt cartridge you will see the first page and you can immediately start to color.

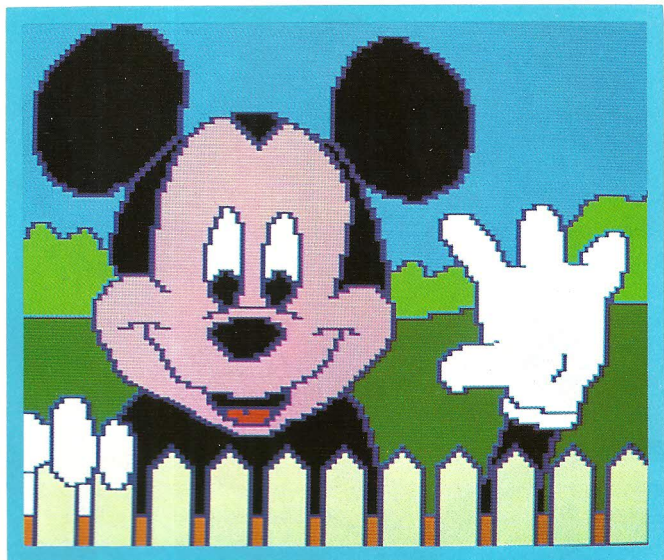

When the page you would like to color appears on the screen, use your color selector to either pick a color you want to use or to change the background color of the drawing. As you draw, the

picture fills in, like the pictures you see above. When you are finished you can either turn the page to start a new drawing or save your artwork by recording it on video tape!

## Mickey Mouse

Hi kids! I'm Mickey Mouse and I bet every one of you out there loves to color...well, so do I. It's one of my favorite things to do. So why don't we go and meet all my Disney pals and color them at the same time. Hey...don't forget about me.

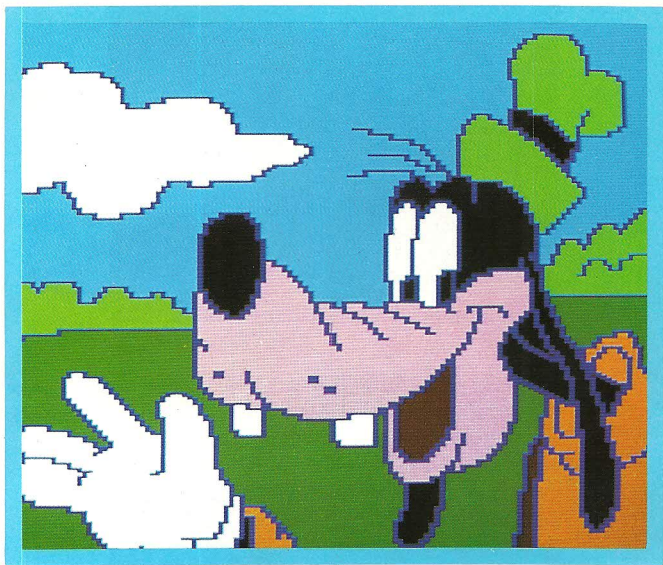

## Minnie Mouse

Yoo hoo! Hi everybody it's me, Minnie Mouse! I've been waiting here for Mickey... have you seen him? You have?... he'll be right here?... oh my, I hope I look okay. Could you help color me so I look my best when Mickey shows up?

## Donald Duck

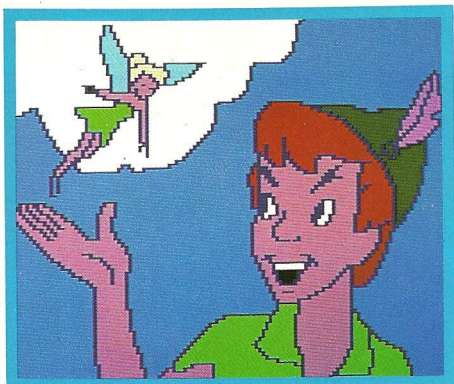

Hello! Welcome to the beach. I'm surprised to see you here. I thought you were coloring with Minnie and Mickey...but as long as you're here, why not help your old buddy Donald Duck color some nice, blue water...I'm in the mood for a swim.

## Goofy

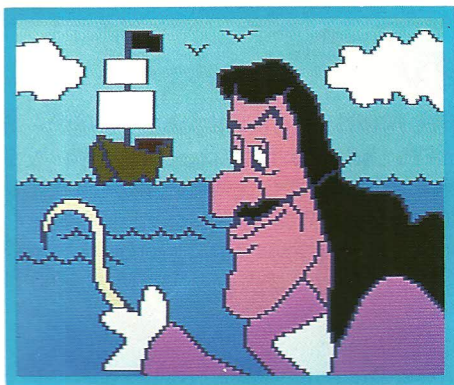

Ahha, ahha, hi little guys...it's me...Goofy. I'm on my way down to the beach to meet my friend Donald. Oh duh! It looks like it's getting cloudy. I sure hope it doesn't rain. Say!...you can help. Why not color a bright sunny blue sky for me. Thanks.

## **Peter Pan and Tinker Bell**

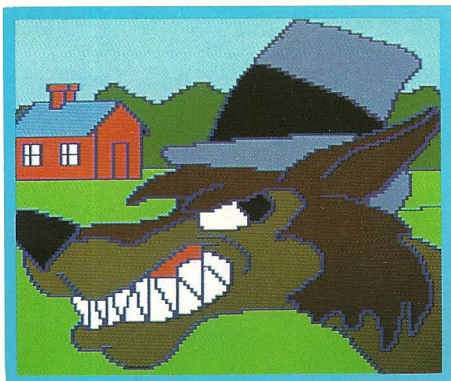

Hi there! I'm Peter Pan and this is my little friend Tinker Bell. We thought we should stop by because it looked like you were having such a good time coloring that we might be able to give it a try too. Okay? But we must hurry because that evil Captain Hook is not far behind.

## **Captain Hook**

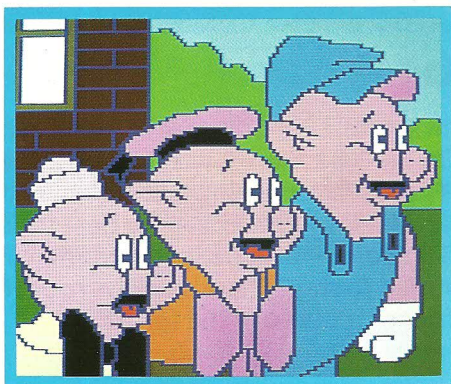

Well now...I'm sure that Peter Pan has told you all sorts of nasty things about me...don't believe them. Sure, I am Captain Hook and I am a pirate, but I'm actually quite a nice guy. You don't believe me? I'll prove it to you. Come on board my pirate ship and we can color for a while. Ha...ha...ha.

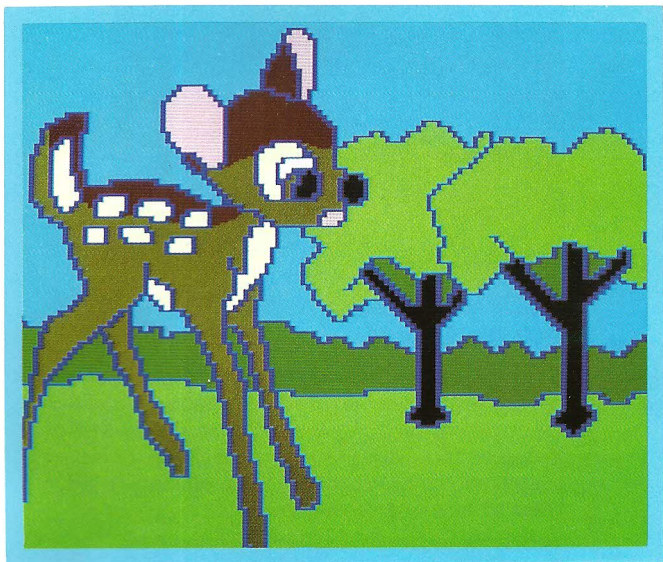

## Big Bad Wolf

Grrrrrrr! My, my...hello little children. Don't be afraid of me. I'm just looking for some friends of mine and I thought you might have seen them. Do me a favor... if you see three chubby pigs on your way, could you please tell them that the big, bad wolf would like them to stop over for lunch?

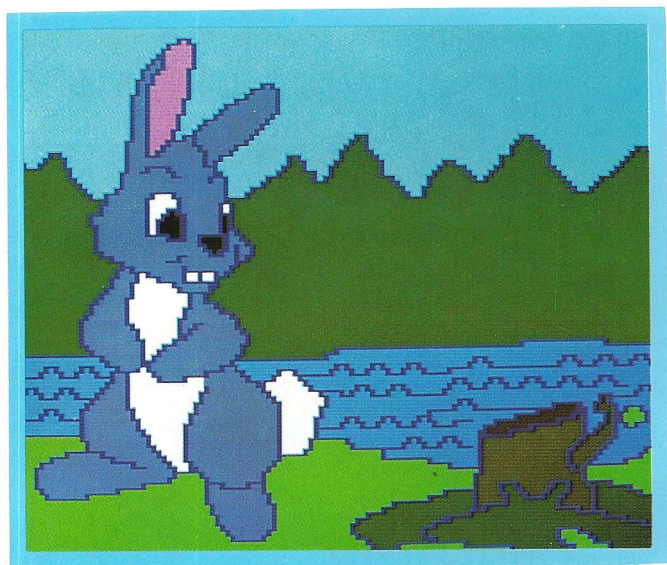

## Three Little Pigs

Hi! We're the Three Little Pigs and boy have we got a surprise for the Big Bad Wolf if he comes looking for us. We're tired of his silly huffing and puffing and blowing things down and we're going to teach him a lesson. Want to help? How about coloring our sturdy, brick house a bright red color?

## Bambi

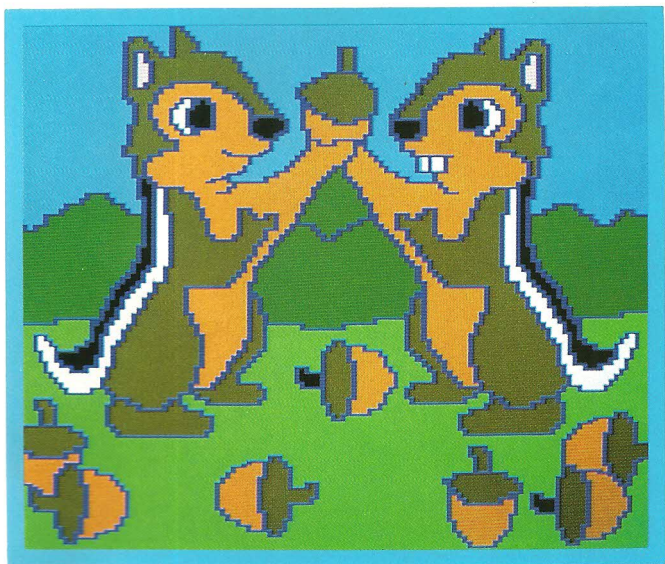

Hello...I'm Bambi. I live out here in this green forest with lots of my little friends. Maybe you know some of them! There's Mrs. Possum, Miss Bunny, Mr. Mole, Flower the Skunk and of course my best friend, Thumper! It's so nice and peaceful out here... would you like to stay? There's always room for another friend out here in the forest.

## Thumper

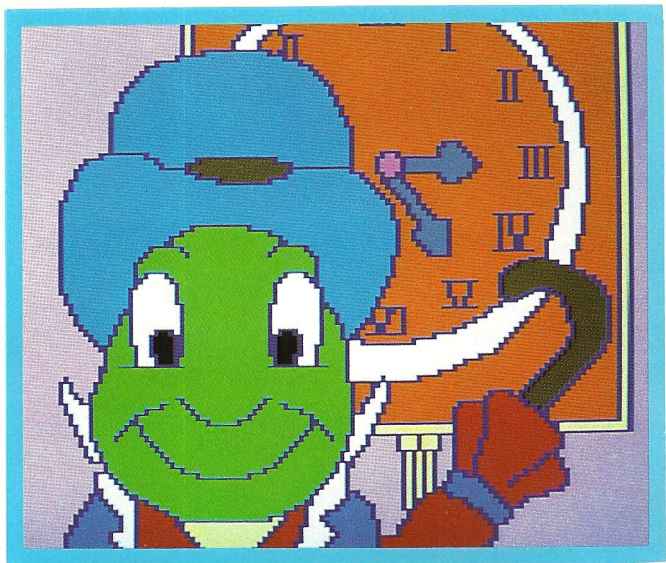

Hi Bambi! Why don't you come to the lake and swim in the water with me? ...oh, wait, I don't think I can swim. But I'll watch you if you can! I have been having a wonderful day hopping around the forest and the water looked so blue and beautiful — so come on!

## Chip 'n' Dale

I'm Chip! I'm Dale! We're just a couple of loveable chipmunks out to have some fun. Right Chip? Right Dale. But today we're collecting nuts for the winter. Right Dale? Wrong Chip! I thought they were for a picnic. No Dale! They're for the winter! No Chip! They're for a picnic! Winter! Picnic! Winter! Picnic! Well kids...we'll be right back as soon as we straighten out this little matter.

## Jiminy Cricket

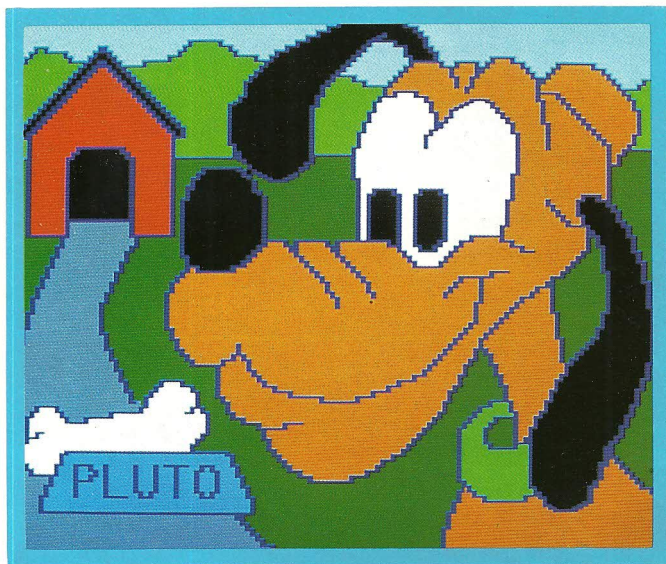

Hi everybody! It's me, Jiminy Cricket! Only got a minute to say a happy hello before I'm off after Pinocchio again. I have to keep him out of trouble you know — besides he's my best friend! Ooops! My minute's up, got to go now! Keep on coloring! Bye.

## Alice

Why hello. What a pleasant surprise. I'm Alice. Who are you? I'm looking for some of my friends...they were supposed to meet me here. I don't know where they could be. Things are so confusing on this side of the looking glass...even the sky, the trees and the ground are different colors. Oh!...I know... maybe I will meet them having tea. See you later.

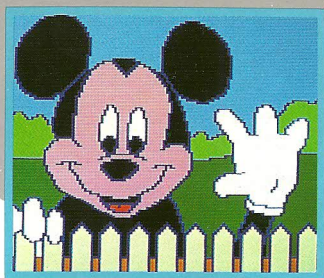

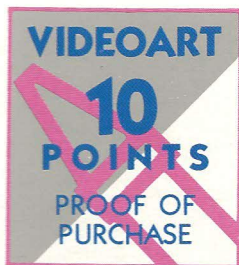

## Pluto

Woof, woof, woof...woof, woof, woof. In dog talk that means that I hope you all had a good time meeting all my Disney pals and coloring all their pictures. But, do you think you could do me one little favor before you go? Could you please color my bone a nice tasty color? I'm hungry.
